Preface

This book is a translation of nine Old Testament books and the complete New Testament into the Waskia language. Waskia is spoken by about 35,000 people, most of whom live on the northern half of Karkar Island in the Madang Province of Papua New Guinea.

Much appreciation goes to Biblica, U.S.A. for permission to use the English translation New International Version 2011 (NIV) side by side with the Waskia translation. Much appreciation also goes to Global Publishing Services for their support in printing, and to all who have contributed to this publication.

In the course of preparation of this translation into Waskia, commentaries on the Hebrew and Greek source texts were consulted and the renderings in many English versions and in Papua New Guinea Tok Pisin were considered. The aim has been to produce a translation that is both clear and accurate in meaning, and also natural-sounding in Waskia.

May God's blessing rest on this translation of His Word, and upon all who read it.
